Objective:

College student graduating in May 2016 interested in an agile driven software engineering position with focus on modern technology stacks and practices.

Skills

- Languages: **Java, PHP, JavaScript, .NET, HTML, Scala, Objective C**
- Database skills/experience: **MySQL, Spark, Oracle, PL/SQL, Tableau**
- Development: **Eclipse, Netbeans, Terminal/Command Prompt, Visual Studio, SQLPlus, MySQL Workbench, and SQLDeveloper, Agile, Waterfall, Git/GitHub**
- Operating Systems: **Linux, Mac, and Windows**
- Experience with small applications using **Java Database Connectivity (JDBC)**
- Knowledgeable with **Object-Oriented Analysis** and Design with **UML**

Relevant Experience

College Student, Radford University, 2012-Present

- GPA: 3.04
- **SMIPO** (Student Managed Investment Portfolio)
 - **Director of IT** (2015-2016)
 - Junior Developer (2015)
 - Currently in development of an dynamic web-application, alumni search database using oracle, real-time stock ticker, investment minded forum content and news, and overall new site redesign for the club
- **Technical Assistant** for Software Engineering remotely taught class
 - Help with everyday functions to get robot ready for remote connection
 - Help troubleshoot with problems that arise with software or network
- Participated in a PHP web-based group project that stored data from athlete stretching information for a local doctor to manage correlations between information and injuries
- Currently working on independent study with professor applying concepts of data warehousing and analysis using Spark and Scala
- Developed a front end application for a baseball lineup Apple Application with Objective C
- Developed a Java “game” using Slick2D game states and LWJGL
- Developed a Java application to fetch/alter customer information from an oracle database

Education

- Radford University, BS in Computer Science with Concentration of Software Engineering and Concentration of Database, est. graduation May 2016

Personal

- *Division 1 Baseball Player for Radford University* 2012-Present
- *Radford Honors Academy Member* (2012-Present)
- *SAAC (Student Athlete Advising Council) Member* 2013-Present
- *SMIPO – Director of IT* (2015-2016)
